

Corporate Environmental Policy

2018

EDUCON is devoted to environmental responsibility in the conduct of its business. EDUCON has corporate policies of keeping a safe and healthy work place while protecting the environment, and conserving energy and natural resources.

Instructions and tips for staff and partners

1 Stay safe and healthy

- Provide a safe and healthy workplace and ensure that colleagues and partners are aware about appropriate safety and health issues
- Be an environmentally responsible and act promptly to correct conditions that endanger health, safety, or the environment

2 Be natural and eco friendly

- Conserve natural resources by reusing and recycling materials
- Purchasing recycled materials, such as recycled paper or biodegradable materials
- Support local farmers and eco friendly shops by purchasing their goods for our meetings

3 Preserve the environment

- Provide a means of disposing of end-of-life product in an environmentally safe and responsible manner
- Educate and develop a strategy about saving and preserving water

4 Always improve

- Strive to continually improve Educon's Environmental management performance
- Conduct self-assessments of Educon's compliance with this policy

Every employee and contractor of EDUCON is expected to follow this policy and to report any environmental, health, or safety concern noticed in our environment to EDUCON management.
